

CALL FOR POSTERS

TRB Committee on Public Involvement (ADA60)

96th Transportation Research Board ANNUAL MEETING
January 8-12, 2017 Washington, DC

What's it all about?

The **Public Involvement Poster Session** will highlight best practices, new technologies and lessons learned, build awareness and skills, and advance the state of the art in public involvement for transportation. Entries are encouraged from all modes and all stages of the project development process. However, the poster must *focus on the public involvement components of the project*, rather than on the project in its entirety.

Each poster station will be equipped with a table and a 4' x 8' panel for displaying the poster. An electrical connection will be available. Telephone and Internet connections will not be available.

How to apply

Potential poster session participants must complete and **submit an application form** [<https://sites.google.com/site/trbcommitteeada60/trb-poster-session>] **by email to jbarrett@fhiplan.com** no later than **Monday, September 12, 2016**. TRB will notify applicants of acceptance by November 1, 2016 and will provide additional details.

Selection guidelines

Selection is based on:

- Relevance to the Committee's focus areas (see application form)
- Originality and quality of the public involvement effort
- Value of lessons learned to project staff and to public involvement professionals
- Completeness of the application

The following are not eligible:

- Sales presentations on products or services
- Posters previously presented, or based on papers previously presented or published, in conjunction with TRB efforts

Posters submitted to the TRB *Communicating with John and Jane Q. Public* competition may also be submitted in response to this call for posters.

Note to applicants . . .

Tips for Poster Developers and examples of posters are available on the Committee's website at <https://sites.google.com/site/trbcommitteeada60/home/resources/posters-1>

Following the Annual Meeting, the Committee invites poster session presenters to submit electronic copies of their posters for display on the website.

TRB 2017 Annual Meeting — Public Involvement Poster Session APPLICATION

Please respond to the following questions.

1. Describe the type of project for which the highlighted public involvement practice or technology was employed. Include:
 - Project name and location (city, county, state, country)
 - Mode (e.g., highway, air, rail, port, transit, pedestrian/bicycle)
 - Stage in the project development process (e.g., long-range planning, corridor planning, design, construction, operations and maintenance)
 - Technical area(s) addressed by the project (e.g., design of roadways, transit stations or bicycle facilities; context-sensitive solutions; transit operations; bridge replacement)
2. Describe the public involvement practice or technology that will be highlighted in the poster.
3. Describe the “lessons learned” that will be highlighted in the poster.

Submit application by e-mail to Jill Barrett, jbarrett@fhiplan.com by September 12, 2016

TRB 2017 Annual Meeting — Public Involvement Poster Session APPLICATION

Please respond to the following questions.

4. Describe the poster's relevance to the following focus areas:

- How have new technologies, tools and techniques contributed to better decision making?
- How can lessons learned be applied to other projects? What "take-aways" will your poster offer practitioners?
- The expectations for public involvement continue to rise (for example, the use of visualization techniques), but budgets are limited. What are ways to make the most of resources?

5. Is the topic of public involvement for this specific project being submitted in response to another call for papers or posters at the TRB 2017 Annual Meeting?

Yes. Session name and sponsor, if available: _____

No

6. Is this poster being submitted to the TRB *Communicating with John and Jane Q. Public* competition?

Yes

No

Submit application by e-mail to Jill Barrett, jbarrett@fhiplan.com by September 12, 2016.
